

## THE CHICKEN RUN STUDIO

### Children's Pottery Tuition

*One off experience for 1,2,3 children accompanied by an adult*

In total the session will take 2 hours. In that time, it would be expected that the children will make 2- or 3-pieces using hand-built techniques. I would like the children to enjoy the experience of working with clay and understand the techniques that will enable them to join securely and ensure their work doesn't dry out before they have finished.

Techniques may include:

- Slab building
- Pinch pot to form the basis of a pot or character
- Impressing the clay with leaves or shells for texture
- Coiling

It is helpful to let me know in advance if the children wish to make something specific so that I can plan ahead to enhance the experience.

Though I do have many ideas as well to excite and challenge.

Refreshments provided

Tools, clay, glazing and firing included

The accompanying adult will pay only if they wish to make alongside the children.

Cost per child/adult £25

I look forward to hearing from you.
